

MICHAEL'S MEANIES

Hi I'm Michael Carroll. I have a Brain Tumor. I created these characters to give to kids with cancer. They are made of the same material Stress Balls are made of so the kids can use them to take out their anger by squeezing, throwing, punching or even kicking them.

My hope is that every child with cancer will someday have a "Michael's Meanie" of their very own.

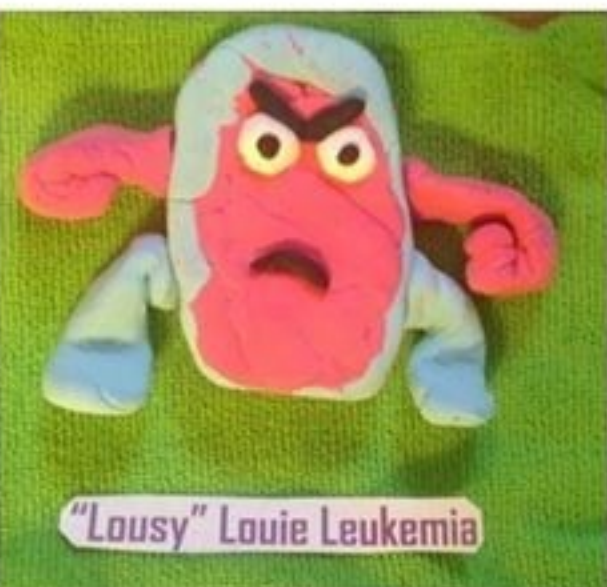

Thank You for Your Support
Michael Carroll

Terry the "Terrible" Tumor

Lily Lymphoma

"Lousy" Louie Leukemia
